

TOWN OF WEST HARTFORD

REQUEST FOR QUALIFICATIONS PURCHASE /TRADE IN OF HEAVY EQUIPMENT

The Town of West Hartford (hereinafter “the Town”) is preparing to purchase three (3) off lease/ like new Wheel Loaders and trade in six (6) pieces of Heavy Equipment from the Town’s inventory. The Town is seeking in advance responses from suppliers of Heavy Equipment to pre-qualify their ability to satisfy the requirements of the Town as detailed below. Proposals will then be requested from pre-qualified suppliers. The Town intends to award within one week of proposal deadline.

Interested parties who meet the following criteria shall submit acknowledgement of their ability to meet the requirements set forth below by returning this form to the Town of West Hartford, Purchasing Division, 50 South Main Street, West Hartford, CT 06107. Submissions will be received no later than 3:00 PM on Tuesday, September 7, 2010.

Requirements for items purchased:

- Supplier within 200 mile radius of West Hartford, CT
- Qty. 3 - Wheel Loaders with min. 3 yd. max 4.5 yd. capacity
- 2007 or newer model year
- Ability to accept all of the Town’s trade in equipment
- Equipment must be available for inspection
- Transportation of purchase and traded equipment
- Deliver purchased equipment by end of September
- All purchased units preferred to be from the same manufacturer
- 30 day warranty
- John Deere, Komatsu, Caterpillar, JCB or Volvo manufactured equipment only

Details of trade in equipment:

- 1) 1987 John Deere payloader with 8,727 hours and spare tire and rim. Plate # 41WH
- 2) 1986 John Deere payloader with 4,486 hours since relife program by WI Clark in 1997 completely rebuilt. Includes spare tire and rim and plow adaptor for bucket. Plate # 43WH
- 3) 1994 Caterpillar payloader with 8,167 hours and comes with spare tire and rim and plow adaptor for bucket. Plate # 42WH
